

Comprehensive Immigration Reform Intercessions:

For a spirit of openness and acceptance in our society: that we may welcome the stranger and immigrant, and help them to build a new life....

For an end to the violence and poverty that displaces so many people from their homes and homelands....

For our leaders, that they may implement policies that allow for safe migration, just migrant working conditions, and an end to the detention of asylum seekers, while protecting our national safety....

For migrant children, that they may feel comfortable and accepted in their new culture, and be proud and respectful of their native culture....

For migrants, refugees, and strangers in our midst, that they may find hope in our concern for justice and feel the warmth of our love....

For all those immigrants who are overwhelmed by loneliness, poverty, and despair, that they may be comforted through our help and kindness....

For those in special need, that the Lord in his divine mercy may heal the sick, comfort the dying, and keep travelers safe....
