

Solidarity Prayer for Peace in Honduras

God of the poor, God of peace,
send forth your transforming grace and strength
to our brothers and sisters in Honduras
during these difficult days in their nation's history.
Bless the efforts of the Honduran delegation
as they raise awareness and educate U.S. legislators and the public
regarding the crisis in Honduras
as well as how U.S. aid is inadvertently supporting state sponsored repression.

Guide the Honduran leadership and the Honduran people
on the pathway to justice and peace.
Strengthen our resolve to stand in solidarity and prayer
with the people of Honduras
as we advocate to our U.S. legislators
to take the actions needed
to end the violence in Honduras. Amen.
