

Would you be interested in volunteering to help with our Career Advancement for International Professionals (CAIP) program? By volunteering with us, you can help international professionals strengthen their skills for the St. Louis workforce and succeed in their career goals! We have two upcoming volunteer events for our evening session:

- Mock Interview Day: Wednesday, June 20, 5:45-8:00 pm – Conduct mock job interviews with our students and provide feedback about their performance.
- Networking Event: Wednesday, June 27, 6:30-7:30 p.m. – Enjoy light refreshments and small talk with our students to help them practice their professional networking skills.

We are also looking for Professional Connectors/Mentors in the following fields. If you know anyone who might be interested in meeting with a CAIP graduate to give them advice about a specific field, please let me know. Areas of need:

- Phlebotomy
- Higher Education Programming and Administration (e.g. Office of Diversity and Inclusion, Office of International Programs)
- Community Health Education
- Agriculture/Agricultural Engineering
- Civil Engineering
- Electronics & Computer Engineering
- Information Technology
- Telecommunications Installation and Repair
- Electrical Engineering
- Accounting

Please email me if you would like to sign up and/or share with others who may be interested. Thanks again for your support of CAIP!
