

**Volunteer Tutors Needed for Afterschool Program:**

One of the youth program workers at St. Francis Community Services Southside had to take an unexpected leave of absence, and he could potentially be gone the rest of this semester. They are looking to increase the number of regular and committed volunteers to try to cover the gap. Volunteers are needed to provide direct assistance to children of immigrant families in the afterschool program that includes social growth and development groups as well as tutoring. Volunteers are expected to model positive behaviors, assist with classroom management, provide one-on-one instruction and guidance, and/or provide individualized homework help. Groups meet Monday through Thursday from 4:30 pm to 6:30 pm. Volunteers should choose a weekday (or multiple weekdays) when they can consistently attend. Completion of Protecting God's Children is required. Interested people should contact Karina Skrbec, the youth program coordinator, at [kskrbec@ccstl.org](mailto:kskrbec@ccstl.org) or 314.773.6100 x102.
