

## **Welcome Neighbor STL**

Welcome Neighbor STL is a community group supporting immigrants and refugees living in Hodimont Apartments as they begin a new life in St. Louis. The organization offers emotional and social support primarily by partnering volunteers with new families. They have a “supper club” that shares a traditional meal and cooking skills from immigrants and their country of origin. For more information check Welcome Neighbor STL’s website: [www.welcomeneighborstl.com](http://www.welcomeneighborstl.com) or contact Jane Mahit at [dearmissjane@gmail.com](mailto:dearmissjane@gmail.com).
