

**Registered Nurse or Licensed Practical Nurse:**

The Sisters of the Most Precious Blood are looking for an assistant to the Community's Health and Wellness Coordinator.

Job Description:

This nursing position involves maintaining health care records, assisting sisters in navigating health care systems and accessing health care professionals to maintain optimum health for the sisters. This nurse will be expected to apply critical thinking, analysis and problem solving to anticipate needs and accurately assess a change of status in a sister. It is essential that this individual be self-motivated, dependable, trustworthy, flexible, and able to multitask.

Requirements:

Must be a Registered Nurse or a Licensed Practical Nurse
