

DAYS OF PRAYER

November 6-12, 2022

SERIES 15: SEPTEMBER 4 - DECEMBER 16, 2022

Begin with the prayer below, then go to the prayer for the day.

God of wisdom and mercy, grant us patience to listen; compassion to be open to other views and opinions; generosity to forgive and grace to change. As you taught us to love our dear neighbor, we pray that you give us strength to be healing instruments of unity and reconciliation.

DAY: 64 SUNDAY NOV 6	God of wonder, I pray to hear Your still, small voice and to discern where it is calling me. I ask for Your blessing in sharing the gifts You have given me for the benefit of my neighbors, especially those facing difficult circumstances.
DAY: 65 MONDAY NOV 7	Today I pray my sisters and brothers and I engage in an inclusive society with a point of view that “we are all in this together” rather than “it’s us v them.” Empower us to engage with civility, reject division and strive for unity.
DAY: 66 TUESDAY NOV 8	On this U.S. Election Day, I pray for a peaceful and orderly voting process that enables all voters to be heard and counted. Protect the integrity of the election from the early morning poll workers through the final tallies and results.
DAY: 67 WEDNESDAY NOV 9	God of peace, I ask that you abide in the hearts and minds of all who feel frustrated, abused and unfairly treated. Wipe away thoughts of responding with threats and violence. Let us rest in confidence that justice will have its day.
DAY: 68 THURSDAY NOV 10	Today I pray that our recently elected representatives honor the will of those they represent. Guide representatives to serve honorably in ways that benefit the common good. May results be seen in budgets and services that help all.
DAY: 69 FRIDAY NOV 11	Today I pray for Veterans who have risked life and limb to defend freedoms that can be taken for granted. May our collective gratitude be revealed in ongoing healthcare and other services that justly meet Veterans’ needs.
DAY: 70 SATURDAY NOV 12	God of creation, I pray for united vision that recognizes the health of our world which is revealed over lifetimes and can be difficult to see. Help me to see it and take action with others to restore our common home for future generations.
